' 110.30 CHANGE OF INFORMATION.

(A) Since some of the licenses issued by the County are in the name of a corporation, it is necessary that stock ownership changes in the corporation be reported to the County A.B.C. Administrator. The County A.B.C. (B) As used herein, the word Achange@ is construed to include any change in directors or officers of the corporation, or change in ownership of stock whereby any person secures 10% of the outstanding stock. Transfer of more than 10% of the total stock shall require a new license.

(C) The following information will be required concerning any new director, officer, or person securing any interest in alcoholic beverage license:

- (1) Name and address;
- (2) Nature of interest;
- (3) Whether or not a citizen of the United States;

(5) Date residence was established in Kentucky, if a resident of Kentucky. If Shelby County resident, indicate when residence was established;

(6) Whether or not he or she has any interest in any other license or corporation or partnership holding a license in any other state or province;

(Ord. 01-20-05, passed 1-20-2009)

' 110.31 DORMANCY.

(A) It is necessary that a licensee actually conduct the business authorized by that license or else the license will be declared dormant and become null and void after 90 days. That is the intent of this section. Realizing that a licensee, like other business, may have his or her business interrupted by situations not under his or her control, various exceptions to the dormancy rule have been included in this section.

(B) Any license under which no business is transacted during a period of 90 days shall become null and void. At the expiration of the 90-day period, the license shall be surrendered to the County A.B.C. Administrator.

(C) Provisions of division (A) above, shall not apply to any licensee who is unable to continue in business at the premises for which a license is issued due to construction, an act of God, casualty, death, the acquisition of the premises by any federal, state, city or other governmental agency under power of eminent domain, acquisition is voluntary or involuntary, or loss of lease through failure of landlord to

renew existing lease. The licensee shall furnish to the County A.B.C. Administrator a verified statement setting forth the fact that the licensee is unable to continue in business prior to the expiration of the 90 days of inactivity, for any of the reasons set forth herein, and the County A.B.C. Administrator may grant an extension of the dormancy with the license continuing to remain in effect during the license

period or until same is transferred to another premises, notwithstanding the fact that no business is transacted during this period; provided, however, no license shall be considered valid unless business is conducted thereunder with 12 months from the date of notice to the County A.B.C. Administrator. An extension may not extend beyond the renewal date but may be for certain times as the County A.B.C. Administrator deems appropriate in exercise of his or her sound discretion.

(D) All renewal licenses must be on file with the County A.B.C.
